

Industrial
union

**Become a Student Member
of the Industrial Union**

Become a Student Member

The Industrial Union is a trade union which has over 220 000 members. There are also over 9000 student members in the union.

Student membership is free.

Join the union in the very beginning of your studies to enjoy the same benefits as other members.

Membership benefits include

Travel insurance for domestic and international travel

Free time accident insurance

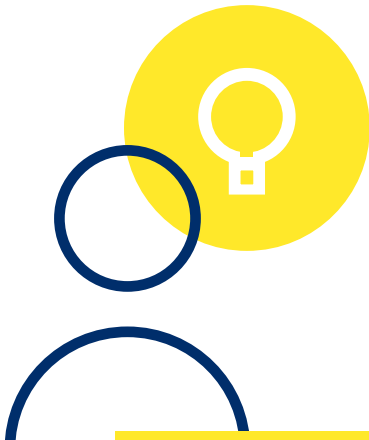

Support and guidance from the local shop steward when you do on-the-job training

The Industrial Union also offers you the SAKKI student card and all its benefits for free.

Read more and get the SAKKI student card online at sakkiry.fi/opiskelijakortti

**Students from
all our fields can become
student members of the
Industrial Union.**

**Don't know which
trade union is right for
your degree?**

Find your
trade union at
www.liitot.fi/en

Membership pays off

1

Join now and get our membership benefits. Student membership is valid for the duration of your studies. If your studies are delayed, please notify the union.

2

When you get a summer job, remember to join as a full member. When you pay the membership fee, your length of service will be included in the work requirement for unemployment benefits.

3

After your summer job has ended, you will automatically become a student member again

4

When you graduate and move on to your first job, make sure you start paying the membership fee from your very first paycheck. If after your studies you join the army, notify the union.
