# TRAVEL INSURANCE FOR MEMBERS OF THE INDUSTRIAL UNION

Travel insurance taken out by the Industrial Union for its members helps you with accidents and the treatment of illnesses. Travel insurance also provides cover in situations where your trip is cancelled or interrupted unexpectedly due to illness or a crisis at the destination, for example.

Travel insurance also covers your children and grandchildren who are under the age of 20 and travelling with you.

**Your membership card acts as a travel insurance card, so always keep it with you.**

The Industrial Union has also insured you in case of leisure time accidents and negotiated benefits for your own insurance cover:

- **If Benefit Programme** – qualify for benefits by taking out a single insurance policy. You can receive a discount of 11–16% on insurance.
- **Life insurance** 61% cheaper.
