

INSURANCE COVERAGE FOR MEMBERS

Smile, you're safe with Turva.

As an Industrial Union member, you are protected by **leisure time travel insurance** if you have an accident or fall ill during your travels, anywhere in the world.

The **leisure time accident insurance** includes coverage for medical costs of injuries, permanent disability and accidental death. In TaskuTurva mobile application (in Finnish) you can also find the Industrial Union's direct compensation card.

The **organisation insurance** is valid whenever a Union member takes part in Union events or performs Union assignments anywhere in the world. The member's spouse and companions are also covered by the insurance during Union events and assignments.

Turva's customer benefits are a perfect ten

Turva offers Industrial Union members and their family members a 10% member discount on voluntary, continued insurance policies. If you have at least one personal, casco, pet or boat insurance policy in addition to Turva's home insurance, you will also receive a 10% owner discount.

If you only have one insurance policy, you will receive an owner discount after being a customer for two years. These discounts do not apply to motor insurance or life insurance.

Turvassa life insurance is a new life insurance policy that is also inexpensive, particularly for members of the Industrial Union: only €6.77/month. (Example of the price for 2022: a 30-year-old member of the Industrial Union, compensation of €100,000). Turvassa life insurance is provided by LocalTapiola Mutual Life Insurance Company.
