

JOIN THE UNION ONLINE!

DID YOU KNOW that you can become a member of the Industrial Union online?

If you work in an industry covered by an Industrial Union collective bargaining agreement, we look forward to seeing you.

Take out your employment contract and go to www.teollisuusliitto.fi/en/join-the-union

Open the form and enter your **PERSONAL DATA** and **CONTACT DETAILS**.

TICK THE BOXES about sharing personal data and how you prefer to be contacted.

4

EMPLOYER is the company that pays the salary. **PLACE OF WORK** is the address where you work. For a temporary agency worker, the employer may be the staff leasing firm and the place of work may be the company where the employee actually works.

Työsuhted tiedot

Työnantaja / Palkanmaksaja *
Y-tunnus

The **INDUSTRY** is specified in the employment contract, or you can check it with your payroll accountant.

3

Fill in the **MEMBERSHIP** information. Select the membership type option (Become a member of the Industrial Union and Open Unemployment Fund). The unemployment fund membership is free of charge for the members of the Industrial Union. Choose the local union branch or assign its selection to the trade union.

ARE YOU MOVING TO ANOTHER UNION OR UNEMPLOYMENT FUND? We can handle the transfer for you.

As a rule, the employer takes care of the payments and the trade union sends a contract to the employer to sign. Those who pay for themselves will receive a letter with payment instructions.

Check the **SUMMARY** to make sure that the information you entered is correct.

CONFIRM THE DATA, and you will receive an email confirming that the form has been completed correctly. Once your membership application has been reviewed and approved, you will receive an SMS notification that you are now a union member.

DID SOMETHING GO WRONG? Contact membership services on **020 690 446**, jasenpalvelu@teollisuusliitto.fi, or ask us to call you back. We speak Finnish, Swedish, English, Estonian and Russian.

5

You've made the right decision – welcome to the Union!
