

New order process for member calendars: order the calendar for 2025

We are updating our member calendar orders and **everyone who wishes to receive the Industrial Union's member calendar for 2025 needs to order the calendar in the eService**. This also applies if you have previously ordered the member calendar in past years.

Ordering is still free of charge, and calendars can be ordered until 31 December 2024. The calendars will be mailed during December 2024 and January 2025.

We are updating our member calendar orders to save the environment and reduce waste.

How to order the calendar:

1. Go to **www.teollisuusliitto.fi/en** and select eService.
2. Sign in with your personal online banking credentials. You can also use a mobile certificate for authentication.
3. Click on **the member information**.
4. Go **to member benefits** and click **edit**.
5. Under calendar, click **order**. Click **save**.

If you cannot access the eService, you can order the calendar from our membership services by email at **jasenpalvelu@teollisuusliitto.fi** or by phone at 020 690 446, Mon–Fri 8.30–12.00.
